### Product description

Make your troops fight off wave after wave of alien invaders with this new small fort bundle from Outpost 15 line - place your troops on the ramparts or open up the blast doors and take the fight to your enemies! Measuring 320x420mm, this massive piece will be a welcome addition to any 15mm Sci Fi table - and you can expand it by adding more modules from the Outpost 15 range.

The bundle consists of:

- 4x Compound Wall pieces - the same as in OUT02
- 4x Compound Wall corner pieces - the same as in OUT03
- 1x Compound Gatehouse - the same as in OUT04

Bought separately, these models would cost 47,95 EUR - by buying them in the Small Fort Bundle you save 5,96 EUR.

The model comes unassembled and unpainted. The instructions for the corner pieces and the gatehouse available in the "Download" tab.
